### Frequently Asked Questions about the Suffolk Team:

**Q: Isn't the Suffolk team a "closed shop", so I won't get picked?**

**A:** Definitely not - every season the Suffolk squad changes. The squad includes bowlers from all of our local leagues (Suffolk, Heritage and Bury). Over the past few seasons, a number of bowlers have played their first games for Suffolk.

**Q: Isn't playing for the Suffolk team a big commitment?**

**A:** Not really - we play one Sunday a month between September and April, plus the Nationals weekend in November.

**Q: Am I good enough to get selected for the Suffolk squad?**

**A:** You will never know if you don't have a go – why not enter the squad trials?
