Frequently Asked Questions about the Suffolk Team:

Q: Isn't the county team a "closed shop", so I won't get picked?

A: Definitely not - every season new bowlers are added to the squad. We have bowlers from all of our leagues (Suffolk, Heritage and Bury). In the last three seasons, 36 different bowlers have played (in a 24 bowler team).

Q: Isn't playing for the Suffolk team a big commitment?

A: Not really - we only play on one Sunday a month between September and April, plus the Nationals weekend in November.

Q: Am I good enough to play for the Suffolk team?

A: If you don't have a go, you will never know.....
